# Workshop ReStart Economia

Thursday, 14:00-16:00

Online Streaming

ReStart Economia's main goal was to find solutions for the Romanian SMEs in order to help them survive the actual COVID situation and to support them through recommendations in order to avoid a real economic crisis. Moreover, economic recommendations were sent to the government to develop enhanced policies destined for improving the economic situation. The economic and social effects of the pandemic phenomena have imposed the necessity in many countries of government interventions in order to maintain the stability of the system or innovative solutions.
